### How has the Fund changed?

CHANGES TO ANNUAL AND SEMI-ANNUAL REPORTS

The Securities and Exchange Commission (SEC) has adopted rule and form amendments which have resulted in changes to the design and delivery of Annual and Semi-Annual Fund Reports (Reports). Reports are now streamlined to highlight key information. Certain information previously included in Reports, including financial statements, no longer appear in the Reports but will be available online within the Semi-Annual and Annual Financials and Other Information, delivered free of charge to shareholders upon request, and filed with the SEC.
